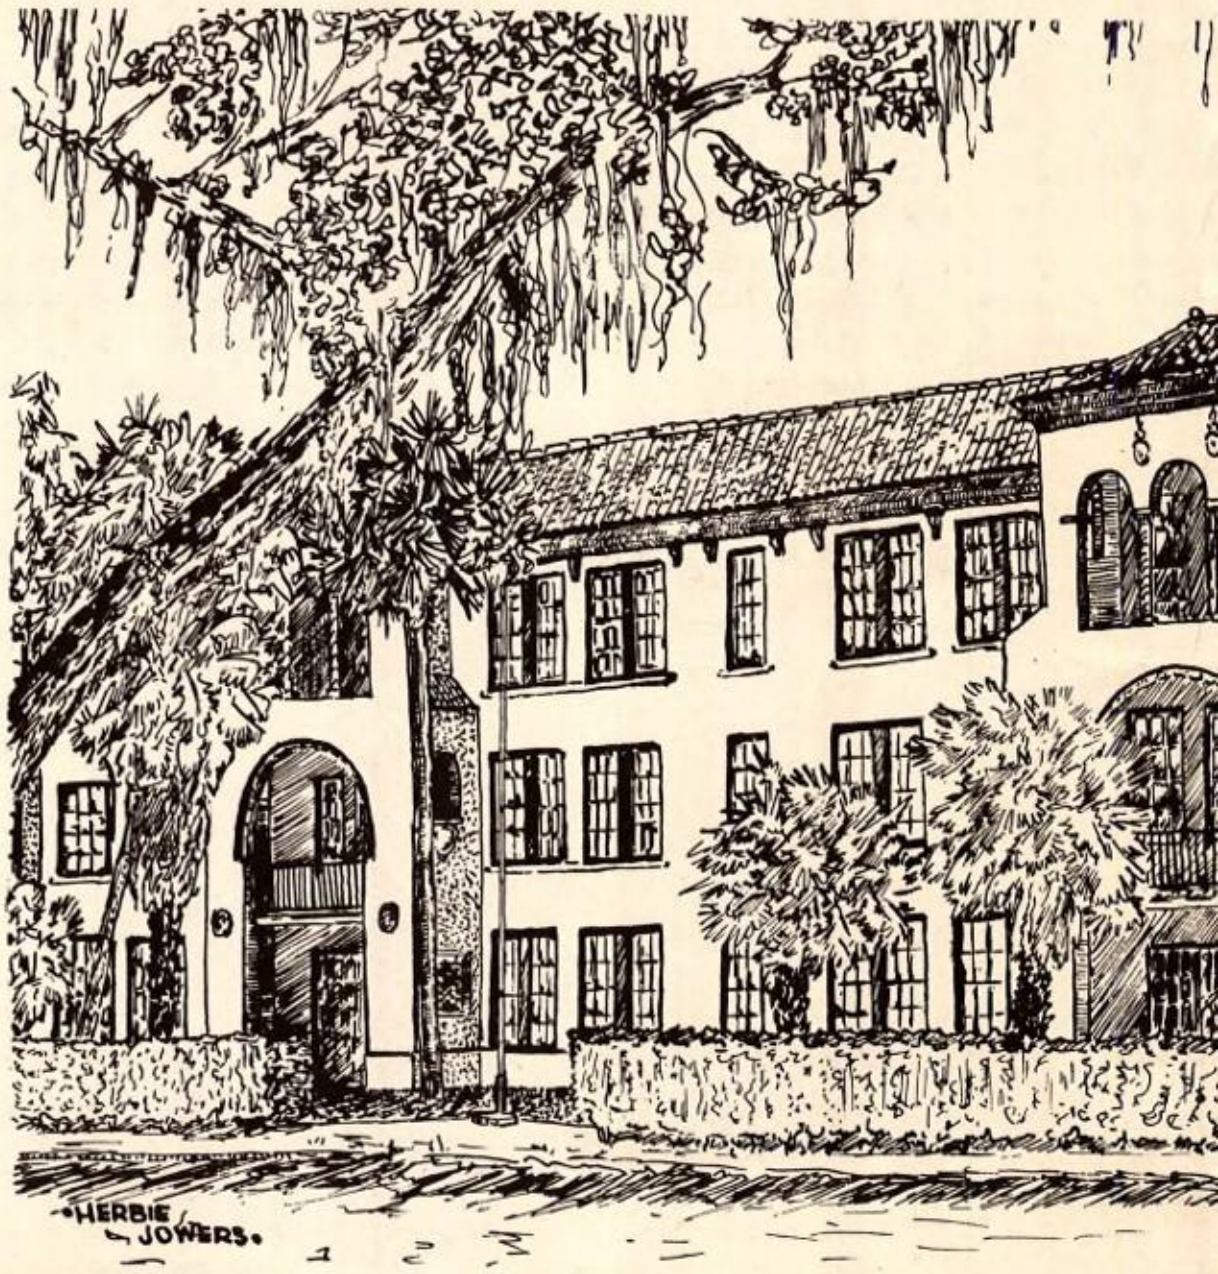
THE TURN OF THE CENTURY -

In the Shadow of the Buccaneer



Senior Class, and Dedicate '50 to Alma Mater

We are from Daytona High School, and to
her we raise our song.
She has always proven worthy of the ever
coming throng.
Others praise the rose and lily and to them
is honor due;
But we praise the stately palm tree and
the dear old gold and blue.

We'll be loyal to her ever, tho the years
may come and go,
And the cares of life o'er take us and the
winds may storm and blow.
Then to D. H. S. give praises, all ye sons
and daughters too;
For there are no other colors, like the
dear old GOLD AND BLUE!

SENIOR HIGH SCHOOL

VINCENT P. McCLINTOCK, PRINCIPAL

It is interesting to note that with the graduation of this class, one half of the Twentieth Century will have come to an end. You are fortunate to have been born in a century that has been unsurpassed in the advancement of scientific and industrial research in spite of the fact that we have gone through two world wars. What the last half of the century will produce is problematical. One thing certain, "there is no standing still". America must continue to be the leader in world affairs. Our way of life must continue. You and your children must assume the leadership that will be handed over to you. Many of you, no doubt, will witness the class of 2000 graduate. We wonder if the world will have progressed as far in the last half of the century as it did in the first half? That will depend upon you. Best of luck, always.

As we turn back the clock at the half century we recall our four year journey which began in September, 1946 . . . "Full steam ahead" was the idea that year as we undertook our first big project by selling magazine subscriptions . . . We were backed by the able seamen, Ronald King, Jimmy Clements, Wanda Whittington, and Ann Fraser and skippered by Mrs. Graham and Miss Kumnick . . .

The hands of the clock continue to turn back and we see that in our sophomore year we were captained by Mrs. Mertz and Mr. Sims with Jimmy Clements, George Humphreys, Wanda Whittington, and Ann Fraser serving as crew . . . We entertained our shipmates with a show put on by a theater group which increased our treasure chest for the prom which was ahead . . .

The pendulum swings on and we find that the junior-senior prom which was held at the Ormond Hotel on April 8 climaxed our junior year . . . Earlier we had sponsored a variety show with the faculty members providing the entertainment . . . We were led in our third year by Pete Eckersen, Bill Winty, Barbara Richardson, and Anne Storms assisted by Miss Dempster and Mr. Johnsonberg . . .

As the half century approached we began the last lap of our journey . . . The crew consisted of Bill Phillips, Bill Wintz, Joyce Raulerson, and Ann Fraser . . . Mrs. Parker and Mr. McClintock advised us when we found ourselves in deep water . . . In November came Homecoming with Bill Wintz and Anne Storms reigning as king and queen . . . December found several seniors taking part in the play, "Seventeenth Summer" and on the 16th the seniors held their annual Christmas formal . . . February saw the presentation of the Senior Class play, "Fog Island" . . . The juniors honored their senior shipmates at the prom held at the Princess Issena on April 14 . . . In May studies were forgotten as the seniors celebrated with a picnic and a skip day . . . Later on the long awaited Buccaneer finally arrived and was distributed among the eager owners . . . In June came Baccalaureate services on June 4 and Graduation following two days later on June 6 . . .

As the clock indicates the turn of the century we end our four year journey and keep pace with the world.

"Yes, Bill, I'd love to go"

The value of the telephone isn't just the calls you make. Sometimes the calls you receive are even more important. You'd miss a lot if the telephone wasn't there.

Just on calls you make, the telephone's a big bargain in convenience, security, success and good times. When you add the calls you receive, it's an even bigger value.
